

It's the little things that make a **BIG** difference!

Collect pop tabs for the Ronald McDonald House and support our mission to provide a "home-away-from-home" for the families of critically ill children in the Tri-State!

If your school or group collects
ONE MILLION POP TABS,
you could win a visit from Ronald McDonald!

Keep track of your progress with the support of your local McDonald's restaurant! Request empty French Fry shipping boxes to use as your collection bins.

20 French Fry shipping boxes filled with pop tabs =
approximately 1,000 lbs = ONE MILLION TABS!

**Want a faster way to earn a visit from
Ronald McDonald?** Join our Cans for Kids program!

Collect 1,000 lbs of aluminum cans (approximately 30,000 cans)
and your school or organization will be eligible
for a visit from Ronald McDonald!

For more details on the Pop Tab program or to receive a Cans for Kids
Recycling Kit, contact Evansville's Ronald McDonald House at 812-402-
RMHC (7642), ext. 3, or visit us online at www.rmhevansville.org.

Frequently Asked Questions

Ronald McDonald House Charities of the Ohio Valley, Inc.
Pop Tab Collection and
Cans For Kids Recycling Program

How does my school or organization start a pop tab collection?

It's so easy to collect pop tabs! The tabs on aluminum cans can easily be removed by twisting them back and forth until they break off. Because the actual tabs are so small, they can be collected in many types of convenient containers, such as plastic baggies, buckets, water bottles and more! Or, contact your local McDonald's restaurant for empty French Fry shipping boxes. Twenty boxes filled with pop tabs equals ONE MILLION POP TABS! If your school or group collects one million tabs, you could win a visit from Ronald McDonald!

Complete information can be found online at www.rmhevansville.org under "News & Events."

What is the Cans for Kids program, and how can my school participate?

The Cans for Kids program is a student recycling initiative between Evansville's Ronald McDonald House and the Alcoa Foundation. Participating schools receive curriculum materials, recycling containers, and additional information as they strive to collect 1,000 pounds of aluminum cans (approximately 30,000 cans) to be eligible for a visit from Ronald McDonald. To register for this program, please contact Jill Swiz, RMHC Development Manager, at 812-402-RMHC (7642), ext 3 or jill.swiz@rmhevansville.org.

How do we keep track of our total collection of tabs?

It's easiest to track your progress by weighing your collection and using the following guide:

One pound = 1,000 Pop Tabs
1,000 pounds = 1,000,000 Pop Tabs

In addition, your local McDonald's restaurant can supply empty French fry shipping boxes to assist your collection. Twenty full boxes of pop tabs equals ONE MILLION POP TABS!

Where do we turn in our pop tabs?

You can redeem your tabs at any local recycling center; simply indicate that the collection is for Evansville's Ronald McDonald House. Checks should be made out to "RMHC of the Ohio Valley, Inc." and mailed to the following address:

RMHC of the Ohio Valley, Inc.
3540 Washington Avenue
Evansville, IN 47714

If you are interested in delivering your pop tabs to a recycling center periodically, please contact the Ronald McDonald House so we can assist in tracking your progress toward 1,000,000 tabs.

If my group wants to collect pop tabs but does not want to strive for the visit from Ronald McDonald, where can we deliver our smaller quantities of tabs?

Smaller quantities can be redeemed at a local recycling center; simply indicate that the collection is for Evansville's Ronald McDonald House. Checks should be made out to "RMHC of the Ohio Valley, Inc." and mailed to the address listed above. Or, reasonable quantities can be delivered to the Ronald McDonald House in person during business hours (Monday through Friday from 8 a.m. to 5 p.m.).
