

Sponsor a Day at the Ronald McDonald House!

Pick a Day and Make a Difference

to ALL families in need at Evansville's Ronald McDonald House ~ providing a "home-away-from-home" for the families of critically ill children from the Tri-State area!

With its 10 bedrooms providing overnight accommodations and its entire first floor Community Area providing daytime support and respite for dozens more needy families each day, Evansville's Ronald McDonald House has already served over 900 critically ill children, their families, and extended families.

Now, your business or community service organization can truly see first-hand the impact of a very special donation to Evansville's Ronald McDonald House.

For \$1,000 you can sponsor an ENTIRE day for EVERY child and family that uses our home. Your business or community service organization will be highlighted as the "**Host of the Day**" *of your choice*.

Bring your employees or members in to volunteer on *your day*: read to the children, enjoy arts and crafts, prepare meals, work in the garden, assist in the registration process, or assist with light housekeeping or maintenance.

You can truly help us in any way possible on *your day* at Evansville's Ronald McDonald House ~ Serving Tri-State Families!

Thank you for your support !
